“These open houses are a great way for us to say ‘thank you’ to everyone who has supported us. It is also an opportunity for those who are not familiar with the Studio to come by and check us out. The one act plays are not only enjoyable - they showcase our students’ talents and teach the actors the pacing of professional theatre. We call it “Theatre Boot-Camp” says actor, acting coach and play director Scott Strand.

Since the Studio’s inception, JDS Actors Studio has assisted actors in obtaining Hollywood agent representation, and many of them are now appearing in television, film, and commercials. Their popular Industry Workshops have impressed agencies such as the Jana Luker Agency, Coast-to-Coast Agency, Sovereign Talent, the Tilmar Agency and Managers like Amy Macnow, Darcie Price from PNG management and MGM Talent. In addition, their casting director series brings top casting directors to Temecula like Gerald Wolff, Pamela Staton, Lorna Johnson, and Mark Teschner of ABC’s General Hospital and Past President of the Casting Society of America (CSA). Producer Diane Strand teaches the students the business side of working in the entertainment industry. “Many studios just focus on the acting,” says Strand. “We take our workshops a step further and teach the importance of handling the business side too. We show them how to prepare for a career in this industry.”
